Dear Ms. Ross,

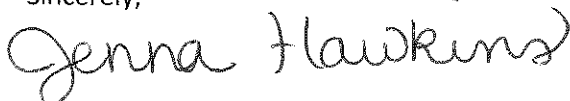

I am writing to express my appreciation of being selected as one of the MHSFCA scholarship recipients.

I have completed my high school career and I am thankful for the experiences I had both academically and athletically. Academically, I achieved my goals of graduating as Valedictorian of my class and of maintaining a 4.0 grade point average. Participating in high school sports was a huge part of my high school experience. Most recently my high school softball team played during the spring season and, at the end of the season, I was named the Bootheel Conference Player of the Year.

I will be attending Saint Louis College of Pharmacy in the fall. I plan to complete a six-year program to earn a Doctor of Pharmacy degree. The College has recently started a softball program and I will have the opportunity to continue to play softball, a sport that I truly love.

Once again, thank you for awarding me a MHSFCA scholarship. I appreciate you having the confidence in me to be successful at the next level of my education.

Sincerely,

A handwritten signature in cursive script that reads "Jenna Hawkins". The signature is written in dark ink and is positioned to the right of the word "Sincerely,".
